

**FIG. NO. 0911
REFLECTOR REPLACEMENT KIT**

FOR USE WITH 1900 SERIES PERKO SEARCHLIGHTS

This kit is necessary when replacing the reflector in an older series Perko searchlight.
This kit contains:

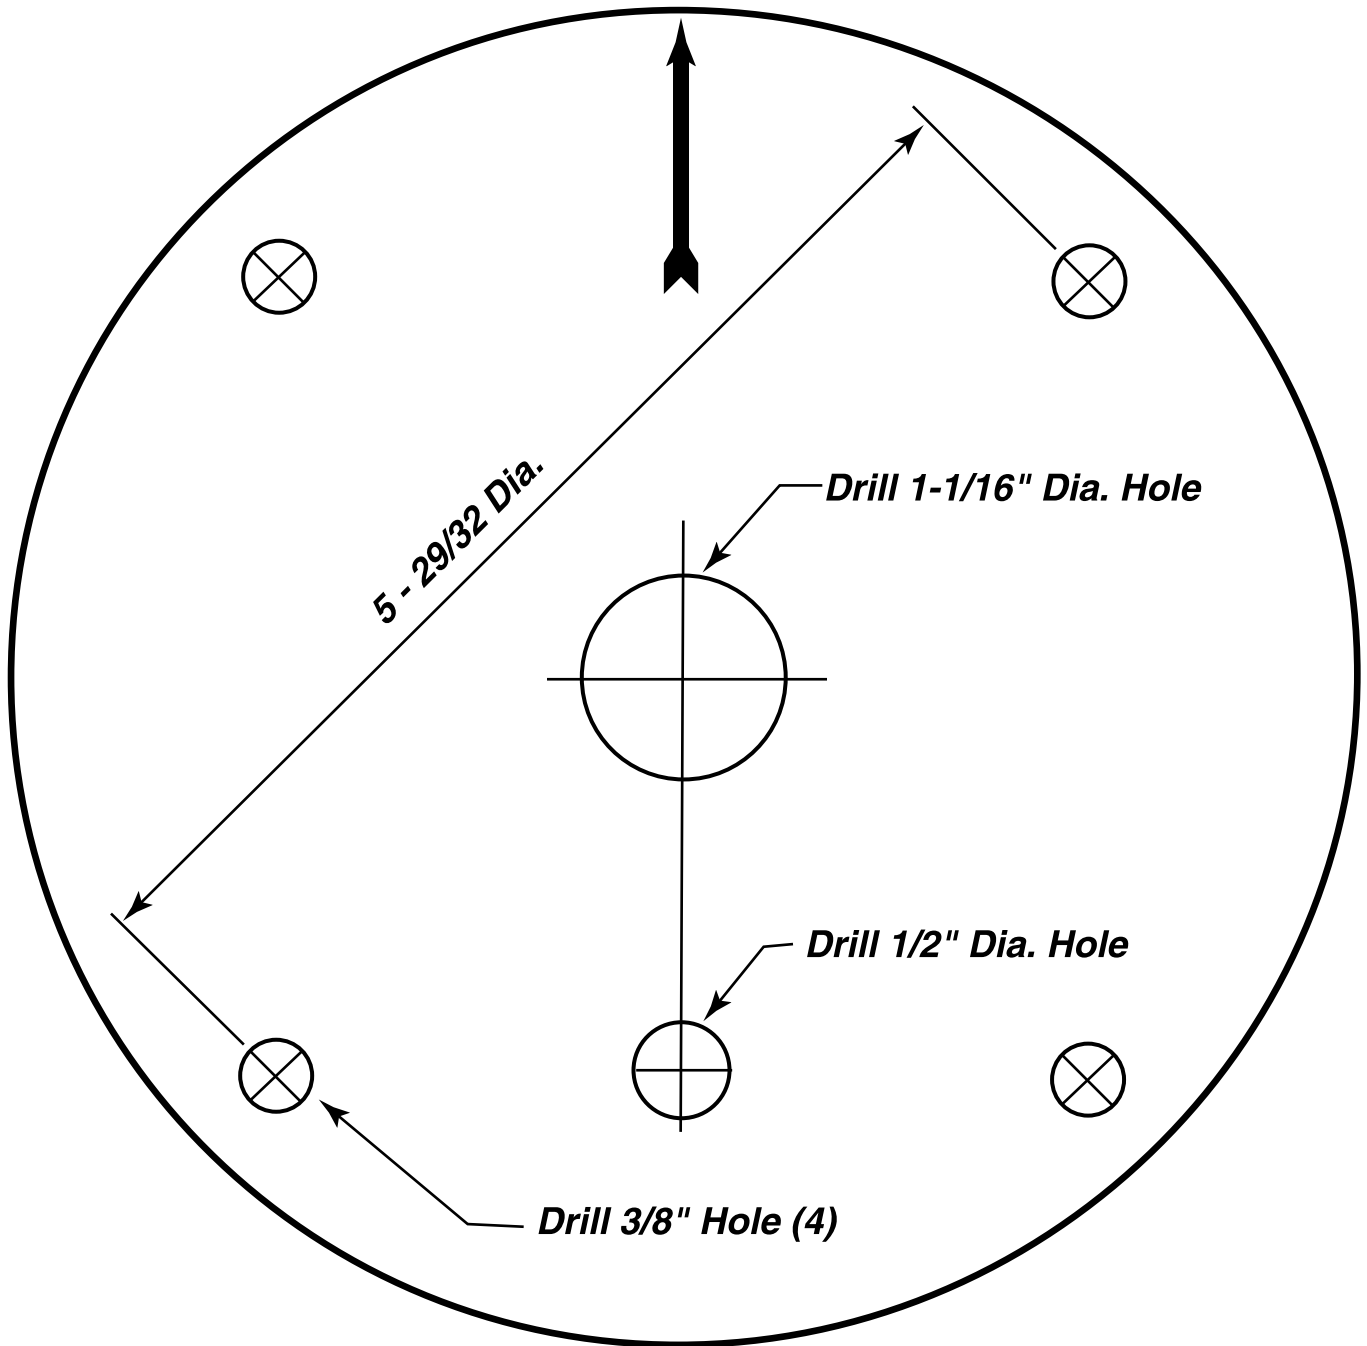

8- Reflector Clip Assemblies, each consisting of a long and short clip.

Proceed As Follows:

- (1) Remove the rear cover, saving the screws that hold the cover in place.
- (2) Remove and discard the old reflector clips, spacer plates, and reflector, but keep the screws, nuts and lock washers for step (3).
- (3) Using the old screws, lock washers and nuts, secure three of the four new reflector clip assemblies into place.
- (4) Slide the new reflector into place, then insert and secure the last reflector clip assembly.
- (5) Replace rear cover, and secure with the old screws.
